

Spin & Win - Web App User Guide

1. Overview

This application allows users to register, log in, recharge their balance, play the slot machine, and view their transactions and leaderboard position. All internal pages are protected and require login.

2. Getting Started

Create an Account

1. Open the app and go to **Register**.
2. Enter your username, email, and password.
3. Submit the form to create your account.

The screenshot shows the 'Create Account' page of the Spin & Win web application. At the top, there is a dark header bar with the text 'Spin & Win' and navigation links for 'Home', 'Login', and 'Register'. Below the header, the main content area has a light gray background. In the center, there is a form titled 'Create Account'. The form contains three input fields: 'Username' (with the value 'testuser'), 'Email' (with the value 'testemail@gmail.com'), and 'Password' (with the value '*****'). To the right of the password field is a 'Show' link. Below the password field is a blue 'Register' button. At the bottom of the form, there is a link 'Already have an account? [Login](#)'.

Login

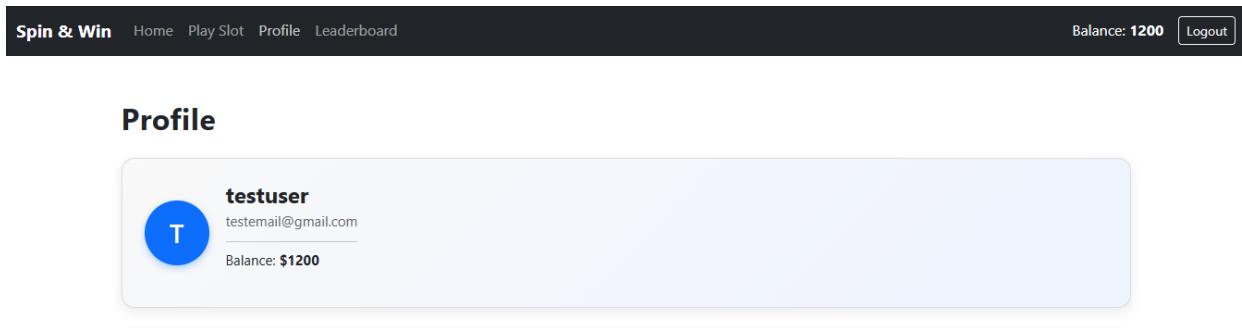

1. Go to **Login**.
2. Enter your email and password.
3. You will be redirected to the **Home Page**.

(If logged out, accessing any internal URL redirects to Login.)

3. Main Features

Profile Dashboard

Shows your profile, recharge system, change password system, and recent transactions.

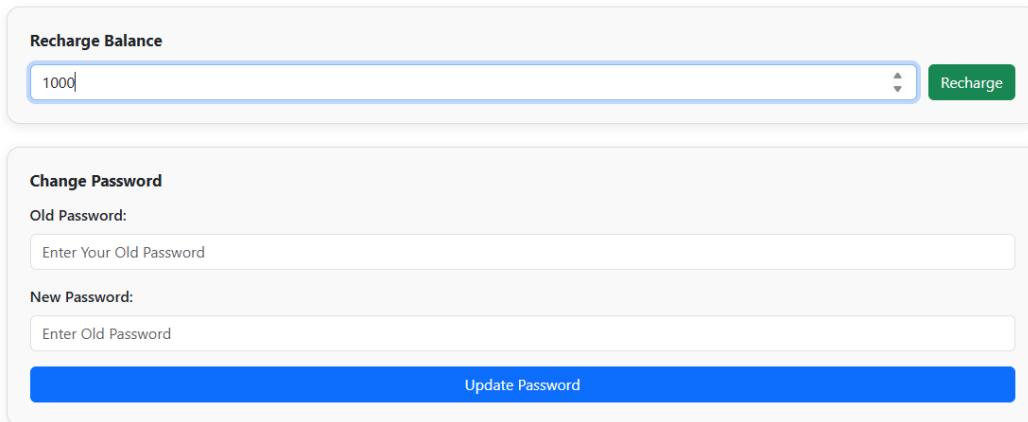

The screenshot shows a dark-themed dashboard header with 'Spin & Win' and navigation links for Home, Play Slot, Profile, and Leaderboard. On the right, it displays 'Balance: 1200' and a 'Logout' button. Below the header is a light-colored card titled 'Profile'. Inside the card, there's a blue circular icon with a white letter 'T', the text 'testuser', 'testemail@gmail.com', and 'Balance: \$1200'.

Recharge Balance (Profile Page)

1. Scroll to **Recharge**.
2. In the modal, enter an amount.
3. Click **Recharge** to update your balance.

Change Password (Profile Page)

1. Below the **Recharge** card.
2. Enter the old and new passwords to change your password.

The screenshot shows two stacked modals. The top modal is for 'Recharge Balance' with a text input containing '1000' and a green 'Recharge' button. The bottom modal is for 'Change Password' with 'Old Password' and 'New Password' fields, both containing placeholder text 'Enter Your Old Password' and 'Enter New Password'. A large blue 'Update Password' button spans the width of the modal.

Transactions (Profile Page)

Shows all actions: spins, winnings, losses, and recharges.
Each entry displays:

- Amount (+ or -)
- Result tag (e.g., jackpot, win, loss)
- Timestamp

spin	\$80	Big Win	Delete
recharge	\$20	Dec 3, 2025, 1:59:19 PM	Delete
recharge	\$20	Dec 2, 2025, 7:47:59 PM	Delete
spin	\$-20	Lose	Delete

Play Slot Machine

1. Go to **Play Slot** page.
2. Use – and + buttons to increase/decrease bet amount.
3. Press **Spin** to play.
4. The result (e.g., jackpot, big win) and updated balance appear immediately.
5. A new transaction is automatically recorded.

Leaderboard

Displays the top players ranked by earnings.
Updates automatically after every spin.

- ❖ The scores are based on the “spin” type transactions and NOT on the remaining balance.
Deleting the transactions updates the leaderboard accordingly.

The screenshot shows the 'Leaderboard' section of the Spin & Win website. At the top, there is a navigation bar with links for Home, Play Slot, Profile, and Leaderboard. On the right side of the header, it displays 'Balance: 1240' and a 'Logout' button. The main content area has a title 'Leaderboard' with a trophy icon. Below the title, a subtitle reads 'Top players ranked by their total spin performance. Higher score means better luck!'. A table lists the top two users:

Rank	User	Total Score
1	testuser2	190
2	testuser	-80

Leaderboard

Top players ranked by their total spin performance. Higher score means better luck!

Rank	User	Total Score
1	testuser2	190
